In this event, a supplemental agreement will be negotiated and executed prior to the Consultant performing the additional or changed services, or incurring any additional cost for those additional services. Any changes in the maximum compensation and fee, or time and schedule of completion, will be covered in the supplemental agreement.

(4) INFORMATION AND SERVICES PROVIDED BY THE COMMISSION:

(A) At no cost to the Consultant and in a timely manner, the Commission will provide available information of record which is pertinent to this project to the Consultant upon request. In addition, the Commission will provide the Consultant with the specific items or services set forth on Exhibit II to this Agreement, titled "Services Provided by the Commission," which is attached hereto and made a part of this Agreement. (B) The Consultant shall review the information provided by the Commission concerning the project site, including without limitation, boring logs and subsurface data, pile driving and load testing, utility locations and layout survey data and will as expeditiously as possible advise the Engineer of any of that information which the Consultant believes is inaccurate or inadequate or would otherwise have an effect on its design or any of its other activities under this Agreement. In such case, the Commission shall provide the Consultant with new or verified data or information upon which the Consultant is entitled to rely. The Consultant shall not be liable for any errors, omissions, or deficiencies in the Consultant's services resulting from inaccurate or inadequate information furnished by the Commission which inaccuracies or inadequacies are not detected by the Consultant unless the errors should have been detected by the Consultant through reasonable diligence.

(5) RESPONSIBILITY OF THE CONSULTANT:

(A) The Consultant shall comply with applicable state and federal laws

and regulations governing these services, as published and in effect on the date of this Agreement. The Consultant shall provide the services in accordance with the criteria and requirements established and adopted by the Commission; and if none are expressly established in this Agreement, published manuals and policies of the Commission and FHWA which shall be furnished by the Commission upon request; and, absent the foregoing, manuals and policies of AASHTO, as published and in effect on the date of this Agreement.

The services necessary to correct such negligent acts, errors, or omissions shall be performed without additional compensation, even though final payment may have been received by the Consultant. (D) Completed plans, plans submitted for review by permit authorities, and plans issued for construction shall be signed, sealed, and dated by a professional engineer registered in the State of Missouri. Incomplete or preliminary plan(s), when submitted for review by others, shall not be sealed, but the name of the responsible engineer, along with the engineer's Missouri registration number, shall be indicated on the plan(s) or included in the transmittal document. (F) In the event any lawsuit or court proceeding of any kind is brought

against the Commission, arising out of or relating to the Consultant's activities or services performed under this Agreement or any project of construction undertaken employing the deliverables provided by the Consultant in performing this Agreement, the Consultant shall have the affirmative duty to assist the Commission in preparing the Commission's defense, including, but not limited to, production of documents, trials, depositions, or court testimony. Any assistance given to the Commission by the Consultant will be compensated at an amount or rate negotiated between the Commission and the Consultant as will be identified in a separate agreement between the Commission and the Consultant. To the extent the assistance given to the Commission by the Consultant was necessary for the Commission to defend claims and liability due to the Consultant's negligent acts, errors, or omissions, the compensation paid by the Commission to the Consultant will be reimbursed to the Commission.

(6) NO SOLICITATION WARRANTY: The Consultant warrants that it has not employed or retained any company or person, other than a bona fide employee working for the Consultant, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the Commission will have the right to terminate this Agreement without liability, or at its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gifts, or contingent fee, plus costs of collection including reasonable attorney's fees.

(7) DISADVANTAGED BUSINESS ENTERPRISE (DBE) REQUIREMENTS:

(A) DBE Goal: The following DBE goal has been established for this Agreement. The dollar value of services and related equipment, supplies, and materials used in furtherance thereof which is credited toward this goal will be based on the amount actually paid to DBE firms. The goal for the percentage of services to be awarded to DBE firms is \_\_\_% of the total Agreement dollar value.

(B) Consultant's Certification Regarding DBE Participation: The consultant's signature on this Agreement constitutes the execution of all DBE certifications which are a part of this Agreement.

1. Policy: It is the policy of the U.S. Department of Transportation and the Commission that businesses owned by socially and economically disadvantaged individuals (DBE's) as defined in 49 C.F.R. Part 26 have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds. Thus, the requirements of 49 C.F.R. Part 26 and Section 1101(b) of the Transportation Equity Act for the 21st Century (TEA-21) apply to this Agreement.

2. Obligation of the Consultant to DBE's: The Consultant agrees to assure that DBEs have the maximum opportunity to participate in the

performance of this Agreement and any subconsultant agreement financed in whole or in part with federal funds. In this regard the Consultant shall take all necessary and reasonable steps to assure that DBEs have the maximum opportunity to compete for and perform services. The Consultant shall not discriminate on the basis of race, color, religion, creed, disability, sex, age, or national origin in the performance of this Agreement or in the award of any subsequent subconsultant agreement.

3. Geographic Area for Solicitation of DBEs: The Consultant shall seek DBEs in the same geographic area in which the solicitation for other subconsultants is made. If the Consultant cannot meet the DBE goal using DBEs from that geographic area, the Consultant shall, as a part of the effort to meet the goal, expand the search to a reasonably wider geographic area.

4. Determination of Participation Toward Meeting the DBE Goal: DBE participation shall be counted toward meeting the goal as follows:

A. Once a firm is determined to be a certified DBE, the total dollar value of the subconsultant agreement awarded to that DBE is counted toward the DBE goal set forth above.

B. The Consultant may count toward the DBE goal a portion of the total dollar value of a subconsultant agreement with a joint venture eligible under the DBE standards, equal to the percentage of the ownership and control of the DBE partner in the joint venture.

C. The Consultant may count toward the DBE goal expenditures to DBEs who perform a commercially useful function in the completion of services required in this Agreement. A DBE is considered to perform a commercially useful function when the DBE is responsible for the execution of a distinct element of the services specified in the Agreement and the carrying out of those responsibilities by actually performing, managing and supervising the services involved and providing the desired product.

D. A Consultant may count toward the DBE goal its expenditures to DBE firms consisting of fees or commissions charged for providing a bona fide service, such as professional, technical, consultant, or managerial services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for the performance of this Agreement, provided that the fee or commission is determined by the Commission to be reasonable and not excessive as compared with fees customarily allowed for similar services.

E. The Consultant is encouraged to use the services of banks owned and controlled by socially and economically disadvantaged individuals.

5. Replacement of DBE Subconsultants: The Consultant shall make good faith efforts to replace a DBE Subconsultant, who is unable to perform

satisfactorily, with another DBE Subconsultant. Replacement firms must be approved by the Commission.

6. Verification of DBE Participation: Prior to final payment by the Commission, the Consultant shall file a list with the Commission showing the DBEs used and the services performed. The list shall show the actual dollar amount paid to each DBE that is applicable to the percentage participation established in this Agreement. Failure on the part of the Consultant to achieve the DBE participation specified in this Agreement may result in sanctions being imposed on the Commission for noncompliance with 49 C.F.R. Part 26 and/or Section 1101(b) of TEA-21. If the total DBE participation is less than the goal amount stated by the Commission, the Commission may sustain damages, the exact extent of which would be difficult or impossible to ascertain. Therefore, in order to liquidate such damages, the monetary difference between the amount of the DBE goal dollar amount and the amount actually paid to the DBEs for performing a commercially useful function will be deducted from the Consultant's payments as liquidated damages. If this Agreement is awarded with less than the goal amount stated above by the Commission, that lesser amount shall become the goal amount and shall be used to determine liquidated damages. No such deduction will be made when, for reasons beyond the control of the Consultant, the DBE goal amount is not met.

7. Documentation of Good Faith Efforts to Meet the DBE Goal: The Agreement goal established by the Commission is stated above in Subsection (7)(A). The Consultant must document the good faith efforts it made to achieve that DBE goal, if the agreed percentage specified in Paragraph (7)(B)(8) below is less than the percentage stated in Subsection (7)(A). Good faith efforts to meet this DBE goal amount may include such items as, but are not limited to, the following:

A. Attended a meeting scheduled by the Department to inform DBEs of contracting or consulting opportunities.

B. Advertised in general circulation trade association and socially and economically disadvantaged business directed media concerning DBE subcontracting opportunities.

C. Provided written notices to a reasonable number of specific DBEs that their interest in a subconsultant agreement is solicited in sufficient time to allow the DBEs to participate effectively.

D. Followed up on initial solicitations of interest by contacting DBEs to determine with certainty whether the DBEs were interested in subconsulting work for this Agreement.

E. Selected portions of the services to be performed by DBEs in order to increase the likelihood of meeting the DBE goal (including, where appropriate, breaking down subconsultant agreements into economically feasible units

to facilitate DBE participation).

F. Provided interested DBEs with adequate information about plans, specifications and requirements of this Agreement.

G. Negotiated in good faith with interested DBEs, and not rejecting DBEs as unqualified without sound reasons, based on a thorough investigation of their capabilities.

H. Made efforts to assist interested DBEs in obtaining any bonding, lines of credit or insurance required by the Commission or by the Consultant.

I. Made effective use of the services of available disadvantaged business organizations, minority contractors' groups, disadvantaged business assistance offices, and other organizations that provide assistance in the recruitment and placement of DBE firms.

8. DBE Participation Obtained by Consultant: The Consultant has obtained DBE participation, and agrees to use DBE firms to complete, \_\_\_% of the total services to be performed under this Agreement, by dollar value. The DBE firms which the Consultant shall use, and the type and dollar value of the services each DBE will perform, is as follows:

DBE FIRM NAME, STREET AND COMPLETE MAILING ADDRESS	TYPE OF DBE SERVICE	TOTAL \$ VALUE OF THE DBE SUBCONTRACT	CONTRACT \$ AMOUNT TO APPLY TO TOTAL DBE GOAL	PERCENTAGE OF SUBCONTRACT DOLLAR VALUE APPLICABLE TO TOTAL GOAL
---	---------------------------	--	---	--

9. Good Faith Efforts to Obtain DBE Participation: If the Consultant's agreed DBE goal amount as specified in Paragraph (7)(B)(8) is less than the Commission's DBE goal given in Subsection (7)(A), then the Consultant certifies that the following good faith efforts were taken by Consultant in an attempt to obtain the level of DBE participation set by the Commission in Subsection (7)(A):

(8) SUBCONSULTANTS:

(A) The Consultant agrees that except for those firms and for those services listed below, there shall be no transfer of engineering services performed under this Agreement without the proper written consent of the Commission. Subletting, assignment, or transfer of the services or any part thereof to any other corporation,

partnership, or individual is expressly prohibited. Any violation of this clause will be deemed cause for termination of this Agreement.

(E) The payment for the services of any Subconsultants will be reimbursed at cost by the Commission in accordance with the submitted invoices for such services, as set forth in Section (10), titled "Fees and Payments."

(F) The Consultant agrees to furnish a list of any Commission-approved DBE Subconsultants under this Agreement upon the request of the Commission.

(G) The Consultant agrees that any agreement between the Consultant and any Subconsultant shall be an actual cost plus fixed fee agreement if the amount of the agreement between the Consultant and Subconsultant exceeds twenty-five thousand dollars (\$25,000).

(9) EXECUTIVE ORDER:

(A) The Consultant shall comply with all the provisions of Executive Order 07-13, issued by the Honorable Matt Blunt, Governor of Missouri, on the sixth (6th) day of March, 2007. This Executive Order, which promulgates the State of Missouri's position to not tolerate persons who contract with the state engaging in or supporting illegal activities of employing individuals who are not eligible to work in the United States, is incorporated herein by reference and made a part of this Agreement. By signing this Agreement, the Consultant hereby certifies that any employee of the Consultant assigned to perform services under this Agreement is eligible and authorized to work in the United States in compliance with federal law. In the event the Consultant fails to comply with the provisions of Executive Order 07-13, or in the event the Commission has reasonable cause to believe that the Consultant has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Commission reserves the right to impose such contract sanctions as it may determine to be appropriate, including but not limited to contract cancellation, termination or suspension in whole or in part or both.

(B) The Consultant shall include the above-provision concerning said Executive Order within every subcontract. The Consultant shall take such action with respect to any subcontract as the Commission may direct as a means of enforcing such provisions, including sanctions for noncompliance.

(10) FEES AND PAYMENTS:

(A) The amount to be paid to the Consultant by the Commission as full remuneration for the performance of all services called for in this Agreement will be on the basis of the Consultant's actual costs plus a fixed fee of \$\_\_\_\_\_, except that the combined costs and fee will not exceed a maximum amount payable of \$\_\_\_\_\_ which is shown in Exhibit III, "Estimate of Costs," attached hereto and made a part of this Agreement. Payment under the provisions of this Agreement is limited to those costs incurred as restricted by Commission reimbursement policy and in accordance with generally accepted accounting principles, to the extent they are considered necessary to the execution of the item of service.

(B) The Consultant's actual costs shall include the hourly salary of each associate and employee, salary-related expenses, general overhead, and direct non-salary costs as allowed by 48 C.F.R. Part 31, the Federal Acquisition Regulations (FAR), and 23 C.F.R. 172, Administration of Engineering and Design Related Service Contracts. The hourly salary of each associate and employee is defined as the actual

productive salaries expended to perform the services. The other billable costs for the project are defined as follows:

1. Salary-related expenses are additions to payroll cost for holidays, sick leave, vacation, group insurance, worker's compensation insurance, social security taxes (FICA), unemployment insurance, disability taxes, retirement benefits, and other related items.

2. General overhead cost additions are for administrative salaries (including non-productive salaries of associates and employees), equipment rental and maintenance, office rent and utilities, office maintenance, office supplies, insurance, taxes, professional development expenses, legal and audit fees, professional dues and licenses, use of electronic computer for accounting, and other related items.

3. Direct non-salary costs incurred in fulfilling the terms of this Agreement, such as but not limited to travel and subsistence, subcontract services, reproductions, computer charges, materials and supplies, and other related items, will be charged at actual cost without any override or additives.

4. The additions to productive salaries for Items 9(B) 1 and 2 will be established based on the latest audit. If an audit determines that overhead has increased or decreased during the course of the services, the Consultant shall notify the Commission and utilize the latest audited data as the basis for interim payments and adjust overhead for prior periods. Upon completion of the services outlined under this Agreement, the final payment for these items will be based on accounting records of the Consultant incurred during the period of the Agreement. If, however, the Consultant's overhead has remained reasonably uniform during the period of the Agreement, the Consultant's latest audited rates may be accepted as a basis for establishing final payment for payrolls earned in the last fiscal year.

5. The property and equipment used on this project such as automotive vehicles, survey equipment, office equipment, etc., shall be owned, rented, or leased by the Consultant, and charges will be made to the project for the use of such property at the rate established by company policies and practices. Approval of the Commission will be required prior to acquisition of reimbursable special equipment.

(C) The Consultant shall submit an invoice for services rendered to the Commission not more than once every month. A graphic progress report indicating the current status of the services shall be submitted along with each invoice. Upon receipt of the invoice and progress report, the Commission will, as soon as practical, but not later than 45 days from receipt, pay the Consultant for the services rendered, including the proportion of the fixed fee earned as reflected by the estimate of the portion of the services completed as shown by the progress report, less partial payments previously made. A late payment charge of one and one half percent (1.5%) per month shall be assessed for those invoiced amount not paid, through no fault of the Consultant, within 45 days after the Commission's receipt of the Consultant's invoice. The Commission

will not be liable for the late payment charge on any invoice which requests payment for costs which exceed the proportion of the maximum amount payable earned as reflected by the estimate of the portion of the services completed, as shown by the progress report. The payment, other than the fixed fee, will be subject to final audit of actual expenses during the period of the Agreement.

(11) PERIOD OF SERVICE:

(A) The services, and if more than one then each phase thereof, shall be completed in accordance with the schedule contained in Exhibit IV, "Schedule," attached hereto and made a part of this Agreement. The Consultant and the Commission will be required to meet this schedule.

(B) The Commission will grant time extensions for delays due to unforeseeable causes beyond the control of and without fault or negligence of the Consultant. Requests for extensions of time shall be made in writing by the Consultant, before that phase of work is scheduled to be completed, stating fully the events giving rise to the request and justification for the time extension requested. Such extension of time shall be the sole allowable compensation for all such delays. The Consultant may also receive an equitable adjustment in the maximum amount payable, provided the consultant can document the additional cost resulting from the delay.

(C) The Consultant and Commission agree that time is of the essence, and the Consultant and Commission will be required to meet the schedules in this Agreement. In the event of delays due to unforeseeable causes beyond the control of and without fault or negligence of the Consultant, no claim for damage shall be made by either party. The anticipated date of completion of the work, including review time, is stated in Exhibit IV of this Agreement. An extension of time shall be the sole allowable compensation for any such delays. The Consultant may also receive an equitable adjustment in the maximum amount payable, provided the consultant can document the additional cost resulting from the delay.

(D) As used in this provision, the term "delays due to unforeseeable causes" includes the following:

1. War or acts of war, declared or undeclared;
2. Flooding, earthquake, or other major natural disaster preventing the Consultant from performing necessary services at the project site, or in the Consultant's offices, at the time such services must be performed;
3. The discovery on the project of differing site conditions, hazardous substances, or other conditions which, in the sole judgment of the Engineer, justifies a suspension of the services or necessitates modifications of the project design or plans by the Consultant;

4. Court proceedings;
5. Changes in services or extra services.

(12) SUSPENSION OR TERMINATION OF AGREEMENT:

(A) The Commission may, without being in breach hereof, suspend or terminate the Consultant's services under this Agreement, or any part of them, for cause or for the convenience of the Commission, upon giving to the Consultant at least fifteen (15) days' prior written notice of the effective date thereof. The Consultant shall not accelerate performance of services during the fifteen (15) day period without the express written request of the Commission.

(B) Should the Agreement be suspended or terminated for the convenience of the Commission, the Commission will pay to the Consultant its costs as set forth in Subsection (10)(B), including actual hours expended prior to such suspension or termination and direct costs as defined in this Agreement for services performed by the Consultant, a proportional amount of the fixed fee based upon an estimated percentage of Agreement completion, plus reasonable costs incurred by the Consultant in suspending or terminating the services. The payment will make no other allowances for damages or anticipated fees or profits. In the event of a suspension of the services, the Consultant's compensation and schedule for performance of services hereunder shall be equitably adjusted upon resumption of performance of the services.

(C) The Consultant shall remain liable to the Commission for any claims or damages occasioned by any failure, default, or negligent errors and/or omission in carrying out the provisions of this Agreement during its life, including those giving rise to a termination for non-performance or breach by Consultant. This liability shall survive and shall not be waived, or estopped by final payment under this Agreement.

(D) The Consultant shall not be liable for any errors or omissions contained in deliverables which are incomplete as a result of a suspension or termination where the Consultant is deprived of the opportunity to complete the Consultant's services.

(E) Upon the occurrence of any of the following events, the Consultant may suspend performance hereunder by giving the Commission 30 days advance written notice and may continue such suspension until the condition is satisfactorily remedied by the Commission. In the event the condition is not remedied within 120 days of the Consultant's original notice, the Consultant may terminate this agreement.

1. Receipt of written notice from the Commission that funds are no longer available to continue performance.
2. The Commission's persistent failure to make payment to the

Consultant in a timely manner.

3. Any material contract breach by the Commission.

(13) OWNERSHIP OF DRAWINGS AND DOCUMENTS:

(A) All drawings and documents prepared in performance of this Agreement shall be delivered to and become the property of the Commission upon suspension, abandonment, cancellation, termination, or completion of the Consultant's services hereunder; provided, however,

1. the Consultant shall have the right to their future use with written permission of the Commission;

2. the Consultant shall retain its rights in its standard drawing details, designs, specifications, CADD files, databases, computer software, and any other proprietary property; and

3. the Consultant shall retain its rights to intellectual property developed, utilized, or modified in the performance of the services subject to the following:

A. Copyrights. Commission, as the contracting agency, reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Governmental purposes:

I. The terms "to be performed by a small business firm or domestic nonprofit organization" shall be deleted from Paragraph (g)(1) of the clause;

II. Paragraphs (g)(2) and (3) of the clause shall be deleted; and

III. Subsection (l) of the clause, entitled

“communications” shall read as follows: “(I) Communications. All notifications required by this clause shall be submitted to the Chief Engineer.”

IV. The following terms in 37 C.F.R. 401.14 shall for the purpose of this Agreement have the following meaning:

Contractor - Consultant

Government and Federal Agency - Commission

Subcontractor - Subconsultant

4. Basic survey notes, design computations, and other data prepared under this Agreement shall be made available for use by the Commission without further compensation and without restriction or limitation on their use.

(B) The Commission may incorporate any portion of the deliverables into a project other than that for which they were performed, without further compensation to the Consultant; provided however, that (1) such deliverables shall thereupon be deemed to be the work product of the Commission and the Commission shall use same at its sole risk and expense; and (2) the Commission shall remove the Consultant's name, seal, endorsement, and all other indices of authorship from the deliverables.

(14) DECISIONS UNDER THIS AGREEMENT AND DISPUTES:

(A) The Engineer will determine the acceptability of the drawings, specifications, and estimates and all other deliverables to be furnished, and will decide the questions that may arise relative to the proper performance of this Agreement. The determination of acceptable deliverables may occur following final payment, and as late as during the construction of the project which decisions shall be conclusive, binding and incontestable, if not arbitrary, capricious or the result of fraud.

(B) The Engineer will decide all questions which may arise as to the quality, quantity, and acceptability of services performed by Consultant and as to the rate of progress of the services; all questions which may arise as to the interpretation of the plans and specifications; all questions as to the acceptable fulfillment of the Agreement on the part of the Consultant; the proper compensation for performance or breach of the Agreement; and all claims of any character whatsoever in connection with or growing out of the services of the Consultant, whether claims under this Agreement or otherwise. Notwithstanding Section (23) of this Agreement, the notice of claim shall be personally delivered or sent by certified mail to the office of the Secretary to the Commission in Jefferson City, Missouri. The notice of claim shall contain an itemized statement showing completely and fully the items and amounts forming the basis of the claim and the factual and legal basis of the claim.

(D) Any claim for payment or an item of any such claim not included in the notice of claim and itemized statement, or any such claim not filed within the time provided by this provision shall be forever waived, and shall neither constitute the basis of nor be included in any legal action, counterclaim, set-off, or arbitration against the Commission.

(E) The claims procedure in Subsections (14)(C) and (D) do not apply to any claims of the Commission against the Consultant. Further, any claims of the Commission against the Consultant under this Agreement are not waived or estopped by the claims procedure in Subsections (14) (C) and (D).

(F) Notwithstanding Subsections (14)(A) through (E) above, in the event of any material dispute hereunder, both parties agree to pursue, diligently and in good faith, a mutually acceptable resolution.

(15) SUCCESSORS AND ASSIGNS: The Commission and the Consultant agree that this Agreement and all agreements entered into under the provisions of this Agreement shall be binding upon the parties hereto and their successors and assigns.

(16) INDEMNIFICATION RESPONSIBILITY:

(A) The Consultant agrees to save harmless the Commission and the FHWA from all liability, losses, damages, and judgments for bodily injury, including death, and property damage to the extent due to the Consultant's negligent acts, errors, or omissions in the services performed or to be performed under this Agreement, including those negligent acts, errors, or omissions of the Consultant's employees, agents, and Subconsultants.

(B) The Consultant shall be responsible for the direct damages incurred by the Commission as result of the negligent acts, errors, or omissions of the Consultant or anyone for whom the Consultant is legally responsible, and for any losses or costs to repair or remedy construction as a result of such negligent acts, errors or omissions; provided, however, the Consultant shall not be liable to the Commission for such losses, costs, repairs and/or remedies which constitute betterment of or an addition of value to the construction or the project.

(C) Neither the Commission's review, approval or acceptance of, or payment for, any services required under this Agreement, nor the termination of this Agreement prior to its completion, will be construed to operate as a waiver of any right

under this Agreement or any cause of action arising out of the performance of this Agreement. This indemnification responsibility survives the completion of this Agreement, as well as the construction of the project at some later date, and remains as long as the construction contractor may file or has pending a claim or lawsuit against the Commission on this project arising out of the Consultant's services hereunder.

(17) INSURANCE:

(A) The Consultant shall maintain commercial general liability, automobile liability, and worker's compensation and employer's liability insurance in full force and effect to protect the Consultant from claims under Worker's Compensation Acts, claims for damages for personal injury or death, and for damages to property arising from the negligent acts, errors, or omissions of the Consultant and its employees, agents, and Subconsultants in the performance of the services covered by this Agreement, including, without limitation, risks insured against in commercial general liability policies.

(B) The Consultant shall also maintain professional liability insurance to protect the Consultant against the negligent acts, errors, or omissions of the Consultant and those for whom it is legally responsible, arising out of the performance of professional services under this Agreement.

(C) The Consultant's insurance coverage shall be for not less than the following limits of liability:

1. Comprehensive General Liability: \$500,000 per claim up to \$3,000,000 per occurrence;
2. Automobile Liability: \$500,000 per claim up to \$3,000,000 per occurrence;
3. Worker's Compensation in accordance with the statutory limits; and Employer's Liability: \$1,000,000; and
4. Professional ("Errors and Omissions") Liability: \$1,000,000, each claim and in the annual aggregate.

(D) In lieu of the minimum coverage stated in (17)(C)(1) and (C)(2), above, the Consultant may obtain insurance at all times in an amount equal to the Commission sovereign immunity caps as stated in Section 537.600 RSMo and subsequently adjusted by the Missouri Department of Insurance. If the statutory limit of liability for a type of liability specified in this section is repealed or does not exist, the Consultant shall obtain insurance with the minimum coverage stated in (17)(C)(1) and (C)(2), above.

(E) The Consultant shall, upon request at any time, provide the

Commission with certificates of insurance evidencing the Consultant's commercial general or professional liability ("Errors and Omissions") policies and evidencing that they and all other required insurance are in effect as to the services under this Agreement.

(F) Any insurance policy required as specified in Section (17) shall be written by a company which is incorporated in the United States of America or is based in the United States of America. Each insurance policy must be issued by a company authorized to issue such insurance in the State of Missouri.

(18) CONSTRUCTION PHASE OF THE PROJECT:

(A) This Agreement includes design services only, unless review of shop drawings and other construction phase services are specifically included. The Consultant shall not be responsible for bidding, award of the construction contract, or construction administration or observation except as provided by Section (2), titled "Scope of Services," and Exhibit I to this Agreement.

(B) Because the Consultant has no control over the cost of labor, materials, equipment, or services furnished by others, or over the construction contractor(s)' methods of determining prices, or over competitive bidding or market conditions, any of the Consultant's opinions of probable project costs and/or construction cost, if provided for herein, are to be made on the basis of the Consultant's experience and qualifications and represent the Consultant's best judgment as an experienced and qualified design professional, familiar with the construction industry, but the Consultant cannot and does not guarantee that proposals, bids, or actual total project costs and/or construction costs will not vary from opinions of probable costs prepared by the Consultant.

(C) The Consultant shall not have control over or charge of and shall not be responsible for construction means, methods, techniques, sequences, or procedures, or for safety precautions and programs in connection with the construction work, since these are solely the construction contractor(s)' responsibility under the construction contract(s). The Consultant shall not be responsible for the construction contractor(s)' schedules or failure to carry out the construction work in accordance with the construction contract(s). The Consultant shall not have control over or charge of acts of omissions of the construction contractor(s), or any of its or their subcontractors, agents, or employees, or of any other persons performing portions of the construction work.

(D) The Solicitation for Subcontracts, Including the Procurements of Material and Equipment: These assurances which concern nondiscrimination also apply to the Subconsultants and suppliers of the Consultant. In all solicitations either by competitive bidding or negotiation made by the Consultant for services to be performed under a subcontract (including procurement of materials or equipment), each potential Subconsultant or supplier shall be notified by the Consultant of the requirements of this Agreement relative to nondiscrimination on the grounds of the race, color, religion, creed, sex, disability, national origin, age, or ancestry of any individual.

(E) Information and Reports: The Consultant shall provide all information and reports required by this Agreement, or orders and instructions issued pursuant thereto, and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Commission or the USDOT to be necessary to ascertain compliance with other contracts, orders, and instructions. Where any information which is required of the Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Consultant shall so certify to the Commission or the USDOT as appropriate, and shall set forth what efforts the Consultant has made to obtain the information.

(F) Sanctions for Noncompliance: In the event the Consultant fails to comply with the nondiscrimination provisions of this Agreement, the Commission shall impose such contract sanctions as it or the USDOT may determine to be appropriate, including but not limited to:

1. Withholding of payments to the Consultant under this Agreement until the Consultant and its Subconsultant(s) comply; or

2. The cancellation, termination, or suspension of this

Agreement, in whole or in part; or both.

(G) Incorporation of Provision: The Consultant shall include these nondiscrimination provisions in every subcontract it makes relating to this project, including the procurement of materials and lease of equipment, unless exempted by federal law, or USDOT regulations or instructions. The Consultant shall take such action with respect to any subcontract or procurement as the Commission or USDOT may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided that in the event the Consultant becomes involved or is threatened with litigation with a Subconsultant or supplier as a result of such direction, the Consultant may request the United State to enter into such litigation to protect the interests of the United States. The Consultant shall take the acts which may be required to fully inform itself of the terms of, and to comply with, said state and federal laws.

(20) APPROVAL: This Agreement is made and entered into subject to the approval of the FHWA. The Commission shall have no liability whatsoever for any cost or loss to the Consultant if the FHWA does not approve this Agreement.

(21) ACTIONS: No action may be brought by either party hereto concerning any matter, thing, or dispute arising out of or relating to the terms, performance, non-performance, or otherwise of this Agreement except in the Circuit Court of Cole County, Missouri. The parties agree that this Agreement is entered into at Jefferson City, Missouri, and substantial elements of its performance will take place or be delivered at Jefferson City, Missouri, by reason of which the Consultant consents to venue of any action against it in Cole County, Missouri. The Consultant shall cause this provision to be incorporated into all of its agreements with, and to be binding upon, all subconsultants of the Consultant in the performance of this Agreement.

(22) AUDIT OF RECORDS: For purpose of an audit, the Consultant shall maintain all those records relating to direct costs and expenses incurred under this Agreement, including but not limited to invoices, payrolls, bills, receipts, etc. These records must be available at all reasonable times to the Commission and the FHWA or their designees and representatives, at the Consultant's offices, at no charge, during the Agreement period and any extension thereof, and for the three (3) year period following the date of final payment made under this Agreement.
